

Broken Saints Wins Sundance Online Festival Awards with Toon Boom Studio

Montreal (February 3, 2003) - Toon Boom Technologies is proud to announce that **BROKEN SAINTS**, created by Brooke Burgess, Andrew West and Ian Kirby and produced with Toon Boom Studio, was granted the 2003 Sundance Online Film Festival Viewers Award for animation. **BROKEN SAINTS** is a graphic novel-styled epic that follows the adventures of four people bound by an unknown force who battle to overcome an apocalyptic evil.

In the fall of 2002 Burgess, Kirby and West acquired Toon Boom Studio and began using it in the production of Chapter 20. "The Sceneplanning Mode is one of the strongest features for us," explained Ian Kirby. "Since we don't use full animation, Sceneplanning gives us options that were never before possible".
