## IntraComm Distributes Toon Boom Studio in Thailand and Indonesia

(Montreal, April 17, 2003) – Toon Boom Technologies Inc. is proud to announce that Intranesis Communications (IntraComm), a regional IT solutions provider, has joined its worldwide network of distributors and resellers for Toon Boom Studio.

IntraComm has been appointed as sole Distributor of Toon Boom Studio for Thailand and Indonesia, responsible for all Toon Boom Studio sales, marketing and Reseller management in these countries.

Toon Boom Studio is the ideal 2D animation software to create compelling animation for the Web, video, wireless and beyond. Toon Boom Studio is the value-priced 2D animation solution for short-form or "flash" style productions. Toon Boom Studio is a great complimentary product for Flash users who are looking for powerful and intuitive 3D scene planning, camera moves, and lip synch tools. This award-winning desktop animation software is also the perfect teaching tool for students learning animation, as part of a drawing, 3D or 2D animation course.
